

RIVER REGION PHYSICIAN ACHIEVES BOARD RECERTIFICATION

Vicksburg, Miss., Sep. 4, 2009 – The Physician Practices of River Region is proud to announce that George Abraham II, M.D. has completed his Recertification Examination given by the American Board of Family Medicine. Board certification confers a standard of excellence in knowledge and practice to physicians who not only certify via the examination process, but who also work diligently on the maintenance of these skills during the seven-year cycle between examinations.

George Abraham II, M.D.

To achieve recertification by the ABFM, a family physician must verify the completion of 300 hours of acceptable continuing medical education over the past six years; possess a full and unrestricted license to practice medicine in the United States; and successfully complete a one-day, written examination of cognitive knowledge and problem-solving abilities. This examination covers the disciplines of the specialty including, but not limited to: adult medicine; care of newborns, infants, children, and adolescents; maternity and gynecological care; community medicine; care of the older patient; human behavior and mental health; and care of the surgical patient.

Dr. Abraham earned his medical degree at the University of Mississippi, School of Medicine, where he also completed his residency. He has practiced medicine in Vicksburg, his hometown, since 1978. His office is located in the Family Medicine Clinic.
